Effective February 1, 2011, Grant 7 OB began transitioning to the staffing guidelines recommended by the Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN). As this unit transitions to the newer staffing model, EMMC charge nurses and nurse managers will be monitoring the daily census frequently and making necessary adjustments such as charge nurses taking patient assignment, calling in staff nurses or using pool nurses to ensure safe staffing. These interim adjustments, while they help us meet the new staffing guidelines, may not be reflected in the numbers posted here, as these data are snapshots of staffing at 7am or 7 pm.

Over the last three months EMMC has been evaluating the staffing guidelines recommended by the Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) on Grant 7 OB. Beginning May 1, 2011, Grant 7 OB will use an updated staffing model while we determine if AWHONN guidelines are appropriate for our patients and employees.
